

24th Fetal and Neonatal Physiology Workshop of Australia & New Zealand

<http://www.med.monash.edu.au/anatomy/workshops/fanworkshop.html>

Friday 26th & Saturday 27th March 2010

Lion Harbourview Lounge
Michael Fowler Centre

111 Wakefield St, Wellington, New Zealand

The 24th annual meeting will be held in Wellington, New Zealand, at the Michael Fowler Centre. The Workshop will be held immediately before the PSANZ conference. The conference venue is located within a minute's walk from the waterfront, and within walking distance of surrounding hotels and shops. IMPACT will be in an adjoining venue.

Registration includes morning and afternoon tea/coffee, lunch and the conference dinner. You will be required to book your own accommodation, which can be sourced from the PSANZ website.

Registration forms and a call for Abstracts will be circulated closer to the time of the Workshop.

IMPORTANT NOTICE TO AUSTRALIAN DELEGATES

For most of you, getting to Wellington is quicker and cheaper than going to Perth or Darwin!

So come across the ditch, and experience the wonderful capital of New Zealand.
