

Benefits of Membership

- An Annual Scientific Meeting, usually aligned with an Annual Meeting of one of the contributing member groups. This is a low-cost one-day meeting, and the venue is varied from year to year to enable easier access.
- A regular newsletter from the executive
- Automatic membership of the Perinatal Society of Australia and New Zealand (PSANZ). This very active group holds a large Annual Scientific Meeting in major centres of Australia and New Zealand. Visit PSANZ home page at <http://www.psanz.org>. to learn more.
- Information about upcoming international Perinatal Meetings.
- The opportunity to access travel grants.
- A visiting International Speaker in New Zealand every year.
- Opportunity to network with colleagues from other disciplines

The Perinatal Society of New Zealand

...is for any Health Professional or Scientist aiming for the best care of the fetus/newborn.

Dear Colleague,

I am pleased to extend my invitation to you to join the Perinatal Society of New Zealand. The society is a progressive multidisciplinary group dedicated to the advancement and practice of all aspects of Perinatology in New Zealand. The Society is for any individual who is working within the field of Perinatal care. The aims of the Society are:

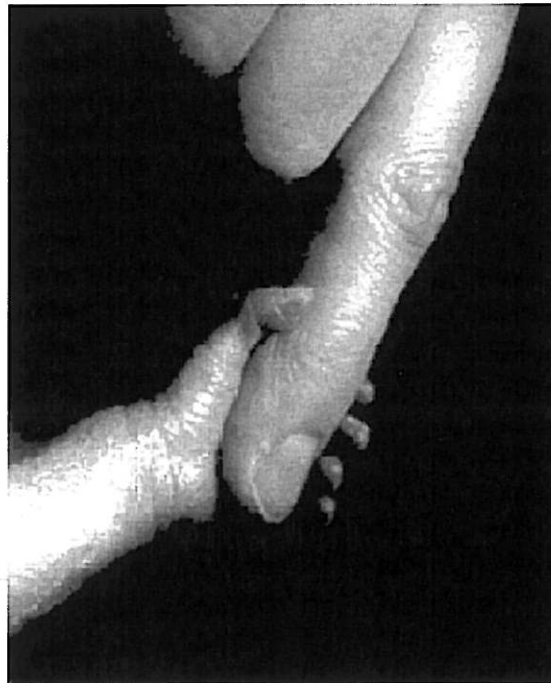

1. To foster continued improvements in standards of perinatal care.
2. To encourage training and research in perinatology
3. To promote collaboration and free discussion among those interested in perinatology
4. To encourage better understanding by the New Zealand public of the activities and objectives of perinatology
5. To maintain liaison with other organisations, professions and international bodies involved in perinatology

If you are interested in becoming a member of this progressive Society please complete the registration form within this brochure.

Yours sincerely,
Vaughan Richardson,
President

The membership of the Society encompasses:

- Neonatologists
- Neonatal Nurses
- Neonatal Nurse Practitioners
- Midwives
- Obstetricians
- Paediatric Surgeons
- Pathologists
- Epidemiologists
- Scientists
- Radiologists / Sonographers
- Developmentalists
- Other Health Professionals involved in Perinatology
